Description

If you're into fishing on your weekends, then you can't go past the exceptionally fuel-efficient and strong-performing Yamaha F30 Four-Stroke.

Efficient and reliable, the F30 features Yamaha's Multi-Point Electronic Fuel Injection (EFI) system, matched with a micro-processor controlled system to deliver reliable turnkey hot and cold starting, improved fuel economy, increased power-delivery, lower emissions, and an overall smoother and quieter operation.

Delivering plenty of performance from the compact 747cc 3-cylinder, marine engine, the F30 offers exceptional versatility with both forward or tiller handle control options. The forward control option can be matched with digital gauges, including Yamaha's feature packed Command-Link system. While the optional Multi-Function Tiller Handle comes with trim, shift, and throttle controls, as well as 'start-in-gear' protection and warning horn alerts, all integrated into the ergonomic handle.
